

Santa Duck

----- **Fold**

— **Cut**

If you want to color the duck it is best to do so before cutting.

Print on card stock for best results.

Score along the dotted fold lines.

Cut along the solid outlines using scissors or a craft knife.

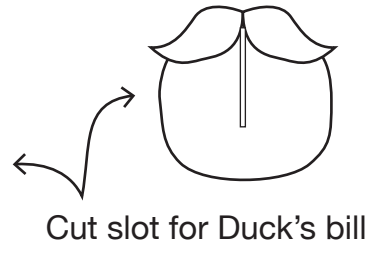

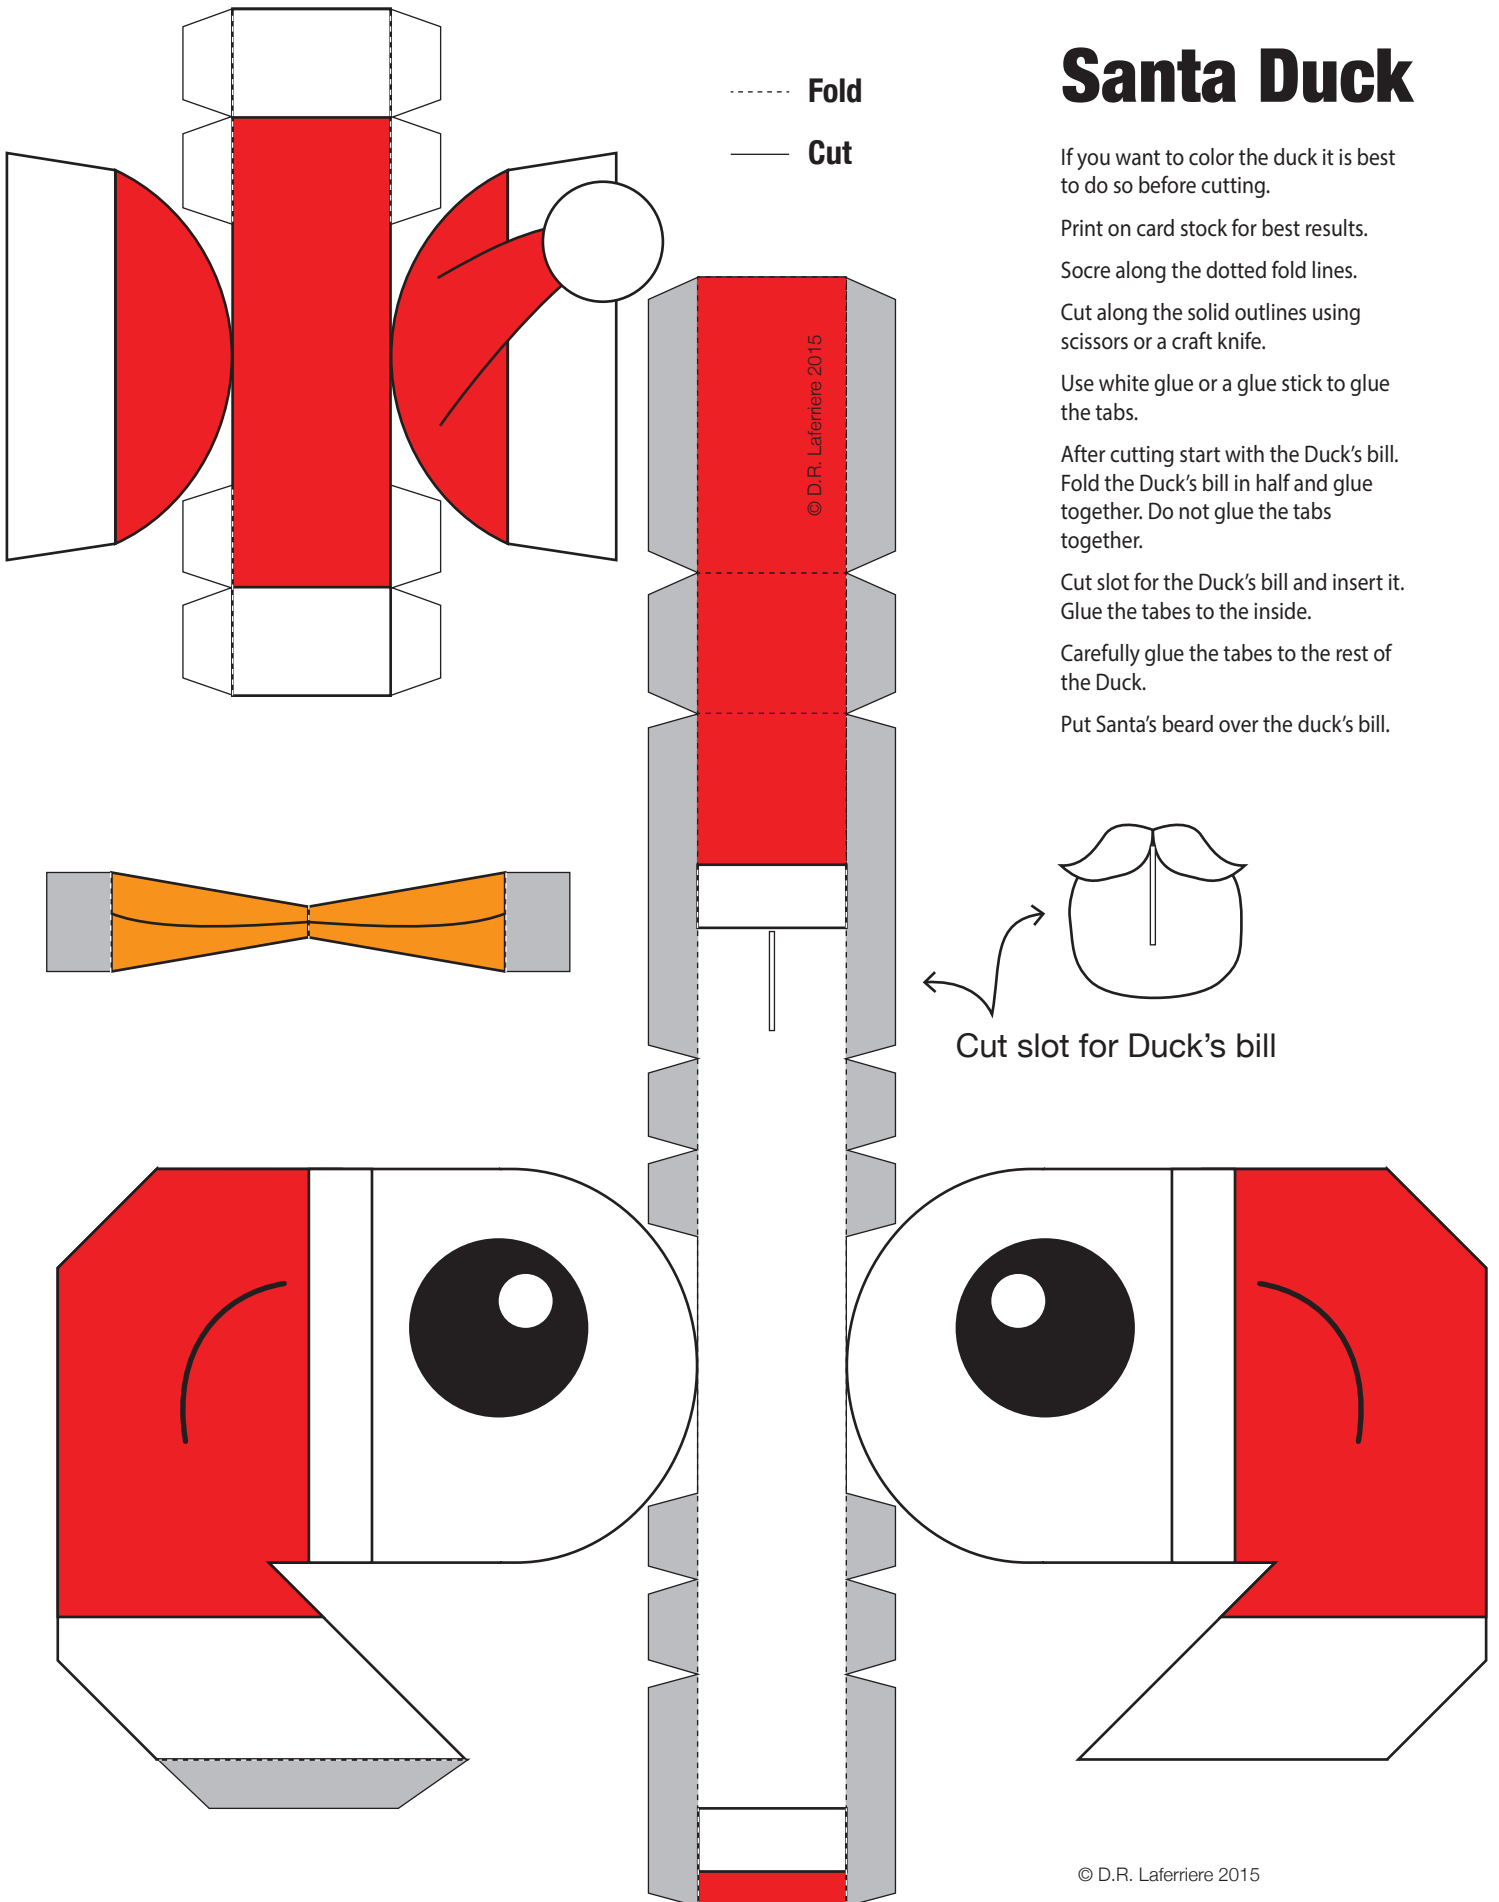

Use white glue or a glue stick to glue the tabs.

After cutting start with the Duck's bill. Fold the Duck's bill in half and glue together. Do not glue the tabs together.

Cut slot for the Duck's bill and insert it. Glue the tabs to the inside.

Carefully glue the tabs to the rest of the Duck.

Put Santa's beard over the duck's bill.
